

Following Steps are required for opening the folders and sub-folders data in Internet Explorer 9 and above.

Step 1: For the required page, user will find below guideline to change the browser setting and mode.

Step 2: Click button F12 in keyboard for Internet Explorer browser. Then you will get the below options in the window footer:

Step 3: Please change and select the Browser mode as IE8 and Document mode as IE8 Standards

The screenshot shows the homepage of the Municipal Corporation of Greater Mumbai (MCGM) website. The browser's status bar at the bottom indicates "Browser Mode: IE8" and "Document Mode: IE8 standards". The website layout includes a top navigation menu with links for HOME, ABOUT US, SERVICES, RESIDENTS, BUSINESS, TOURIST, ONLINE SERVICES, COMPLAINTS, and DATA LOOKUP. The main content area features a central banner for Smt. Snehal Ambekar, Mayor of Mumbai, with a background image of the Chhatrapati Shivaji Maharaj Vastu Sangrahalaya. To the left of the banner is a "Quick Links" sidebar with items like "Mumbai Statistics & Maps", "Property Tax (New)", "Pay Water Bills", "Pay Octroi", "Recruitment", "Circulars", and "Tenders & Quotations". Below this is a "Related Links" section with "Eco Friendly GanPati.", "Mumbai Monsoon.", and "BEST.". To the right of the banner is a "Whats New" section with "Shramdan program." and "Parking Policy.", and a "Press Release" section with a photo of a man. The footer contains a menu with "File", "Find", "Disable", "View", "Images", "Cache", "Tools", and "Validate".

Step 4: Click F12 to exist the window
