### QUARANTINE GUIDELINES FOR PASSENGERS ARRIVING FROM UNITED KINGDOM

Ref : Circular from the Ministry of Health & Family Welfare, GOI  
No.Z-21020/16/2020-PH dated 21<sup>st</sup> December 2020.

It has been reported that distinct Phylogenetic cluster of SARs-CoV-2 (named lineage B.1.1.7) has been detected. This SARs-CoV-2 is spreading and growing rapidly in United Kingdom (UK). In view of this, all the flights originating from UK into India have been suspended temporarily w.e.f. 23.59 hours, 22<sup>nd</sup> December 2020 till 31<sup>st</sup> December 2020 (23.59 hours) by Government of India vide the above referred circular.

. In the meanwhile, from 21<sup>st</sup> December, 2020 the following directives are issued under Epidemic Disease Act, 1897 and The Disaster Management Act, 2005 to be followed at the Mumbai International Airport as a measure of caution to prevent the spread of the new mutant Corona virus in Mumbai.

1. All the passengers arriving from UK, directly or through indirect flights should be subjected to mandatory institutional quarantine at their own cost, in the nearby hotels for seven days.
2. If the passenger is **found symptomatic** on arrival, then he will be shifted directly to Seven Hills Hospital for further evaluation and treatment.
3. On arrival, no RT-PCR test will be conducted. However, RT-PCR test will be conducted during 5<sup>th</sup> to 7<sup>th</sup> day at the hotels at the cost of the quarantined passengers. If the report of the test is found negative, the passenger would be

discharged from the institutional quarantine after 5 to 7 days with the advice of 7 days mandatory Home Quarantine. If the test result is found positive but asymptomatic then he will be continued in the same hotel in quarantine or in the COVID-19 Hospital till 14 days.

4. Arrangements to be made by BEST to transport all the passengers coming from UK by direct or indirect flights to the hotels.
5. Arrangements of approximately, 800 rooms will be required immediately on 21<sup>st</sup> December 2020 for passengers arriving from U.K. The charges of the hotels will be borne by the passengers as per the choice of hotels.
6. The passports of all the passengers will be deposited with the hotel and returned at the time of discharge from the hotel quarantine.
7. PPE kits to be provided to Immigration Officers as well as everyone working on the airport by Mumbai International Airport Ltd.
8. The arrangement for the testing of these passengers to be made through linking of private laboratories to the quarantine hotels and the same will be charged to the passengers.
9. Collector MSD will monitor the operations and depute suitable teams for its monitoring.
10. These guidelines are applicable to all passengers arriving at Mumbai International Airport from UK, irrespective of their further travel plans.
