19. STEPS FOR ACTUAL BIDDING PROCEDURE

- ** Go to Auctioneer's website www.aaacpl.com and Enter "Login ID and Password". When a bidder logs in on www.aaacpl.com it is deemed that the bidder has accepted the Terms & Conditions of the Seller.
 - ** After successful login the bidder will be able to view all the details about the e-Auction. The bidder will also view the list of the Lots kept for e-Auction.
 - ** The bidding screen will be available to the bidder to start bidding. There will be Lots number and Lots name describing the Lots on hyperlink. 'Current bid' column will show the highest bid for the Lots. 'Your bid' column will show the bid amount for the Lots by the bidder.
 - ** The Minimum Bid Price / Base Price has been recorded against each Lots. The software will not accept any bid lesser than the Minimum Bid Amount. The bids shall be offered Lots-wise and in no case combined bidding shall be allowed.
 - ** Bidder can click on the bid button in the row of the Lots to bid for those Lots. (The Bid should be placed without any decimal or Comma marks) This will lead to a pop-up window to enter the bid amount for the lot. The bid amount should be greater than the current bid amount for that lot.
 - ** The e-Auction is set for the particular time period and each Lots is allotted 30 (Thirty) minutes at the maximum. Bidding will automatically stop at the end of the time period of each Lot. The server time will always be shown on the bidding screen to know the start time, remaining time and the time of close of e-Auction. **The extension of bid time will be decided by M.C.G.M.**
 - ** Highest bids made by the bidders are taken only Subject to Approval from the seller at the close of the e-Auction. The bid value last accepted by the system will be taken for deciding the status. Only if two bidders bid with same amount, the first request received by the server will be the winning request.
- ❖ The bidders would be required to feed their bid – amount by using keyboard only. There is no provision for increasing the bid by clicking at the key button for highest Bid + Increment.
- ❖ No bidder can increase his own bid in case he happens to be the highest bidder until some other bidder makes a higher bid for the same. A suitable message in this regard would appear on the same screen giving the highest bidder status. All Bidders are further required to ascertain their current highest bid status

in the bid- history screen as an abundant precaution constantly.

❖ There will be a gap of 1 (One) minute between the Lots for bidding and a suitable message will flash on the bidding screen.

A NOTE OF CAUTION FOR THE BIDDERS

Bidding during the last minutes of e-Auction may encounter certain unforeseen problems such as time-lag, heavy traffic, system / power failure at the user end etc.

In order to avoid such problems and also not to lose out bidding, the bidders keen on buying any particular Lots, are advised not to postpone the bidding to the last moment and to give their maximum bid at the earliest.
