Note :The tenderer shall quote inclusive of all taxes **other than GST (Excluding GST)**, Levies, Duties, Cess etc. as applicable at the time of bid submission. GST as applicable shall be paid separately on submission of bills/invoice. While quoting the rates, benefit of Input Tax Credit or Exemption shall be passed on to the BMC by way of equivalent reduction in quoted price.

TECHNICAL SPECIFICATIONS

1) Name of The Work : Work of repair and modification of hoods above pyre sets of air pollution control system at Banganga Hindu Cemetery in 'D' ward.

2) Quantity: As per Schedule of Quantities.

3) Work Place : Banganga Hindu Cemetery in 'D' ward.

4) Completion Period : 30 days.

5) Specifications :

The work involves increasing gap between hoods and pyres at Banganga Hindu cemetery in 'D' ward by shifting hoods and ducting etc. The optimum gap earlier is reduced drastically as foundation height of pyres is increased after carrying out certain civil work. This has resulted in difficulty in placing of dead body on pyre and causing inconvenience/harm to the grieving family members performing final rituals and placing body on pyre for cremation.

The successful contractors have to carry out the work as follows:

- The existing hood is supported by I-Beam structure. The existing I-Beam structure height shall be increased by approximately 430 mm to 450 mm and existing section supporting the hoods shall be placed back to support the hood structure as per requirement of the site condition.
- The successful bidder shall increase height of hood structure in such a way that it will connect with existing header-ducting with increased height similar to the process in which hood structure is raised.
- Final s-section connecting header-ducting and scrubber shall be modified by successful bidder, based on new height difference dimensions.
- Total 3 hoods are required to be raised to serve the purpose and modifications are to be done accordingly. After execution of height raising of one hood, the work shall be inspected by the user department with a view of desired convenience in performing rituals.
- Supporting MS structure, old & new shall be painted with two coats of heat resistant black paint of reputed make.
- Other related structural repairs as required and painting of MS structure with double coat paint of reputed make shall be carried out by the successful bidder.

SPECIAL INSTRUCTIONS TO THE TENDERERS :

1. The contractor shall visit the site at Banganga Hindu cemetery in 'D' ward, of Brihnmumbai Municipal Corporation before submitting the offer.
2. It is essential on the part of the tenderer to collect full details/specifications of the material to be supplied and/or work to be executed from the office of Engineer in charge. It is also essential on the part of the tenderer to inspect the site/location/equipment in respects in every detail meticulously, before submitting their offer and no claim arising out of ignorance will be entertained later on.
3. "The quotationer shall quote inclusive of all taxes other than GST (Excluding GST), Levies, Duties, Cess etc as applicable at the time of bid submission. GST as applicable shall be paid separately on submission of bills/invoice. Input Tax Credit of GST as available with the bidder will not be claimed separately by BMC. However, while quoting the rates benefit of Input Tax Credit or Exemptions shall be passed on to the BMC by way of equivalent reduction in quoted price".No charges will be paid extra due to ignorance on the part of the quotationer.
4. The bidder shall note that while executing the work, if any additions/alterations/omissions required to be carried out, then the prior approval of Engineer in charge for each item shall be obtained before proceeding further. It shall be incumbent on the part of the contractor to carry out addition/alteration/omission only after approval from Engineer in charge.
5. The Municipal Commissioner reserves the right to accept the lowest or any offer or reject any or all offers as deemed fit.
6. Watch and ward shall be provided by the Contractor for the protection of material at the site till completion of work.
7. The successful bidder shall carry out any other minor repair work to complete said work as directed on site apart from the specifications at no extra cost.
8. Material used for the work purpose shall be of standard approved quality & from fresh stock and free from surface defects.
9. The light and water shall be provided free to the contractor where available.
10. The successful contractor shall carry out any unforeseen work/item which is absolutely necessary for the smooth and safe installation and functioning of system which is not covered under specifications without any extra charges under intimation to this department.
11. Requirements under all statutory provisions of Govt./Semi-Govt/Corporation Departments will be completed & fulfilled by the successful quotationer at his cost and the official charges if any, will not be paid by BMC.

12. The successful contractor shall carry out the work taking all the safety measures into consideration to avoid any accidents/mishap at site.
13. The successful bidder shall carry out work in every respect in conformity with the work specifications, Bill of Quantities & Rates etc.
14. After completion of job, all the work area shall be cleared of debris and excess material left due to the contract related work, at no extra cost.

As per Circular Dir./IT/F-59 Dtd. 10.05.2023 Use of e-Procurement System of Gov. of Maharashtra (Mahatenders) for all tenders in BMC instead of SAP SRM is made mandatory. Contractor has to enroll and obtain credentials for the same. Applicants/Bidders shall refer to bidder's manual kit available on website <https://mahatenders.gov.in> for Bid-Submission. The detail guidelines for creation and submission of bid are available in the referred document

NOTE: This tendering process is covered under Information Technology ACT & Cyber Laws as applicable.

I. Before entering into online tendering process, the contractors should complete the registration process so as to get User ID for E-tendering links. For this applicants/Bidders shall refer to bidder's manual kit available on website <https://mahatenders.gov.in> for Bid-Submission. The detail guidelines for creation and submission of bid are available in the referred document or at a link.

<https://mahatenders.gov.in/nicgep/app?page=HelpForContractors&service=page>

Special Instructions to the Contractors/Bidders for the e-submission of the bids online through this e-Procurement Portal :

1. Bidder should do Online Enrolment in this Portal using the option [Click Here to Enroll](#) available in the Home Page. Then the Digital Signature enrollment has to be done with the e-token, after logging into the portal. The e-token may be obtained from one of the authorized Certifying Authorities such as eMudhra CA/GNFC/IDRBT/MtnITrustline/ SafeScript/ TCS.
2. Bidder then logs into the portal giving user id / password chosen during enrolment.
3. The e-token that is registered should be used by the bidder and should not be misused by others.
4. DSC once mapped to an account cannot be remapped to any other account. It can only be Inactivated.
5. The Bidders can update well in advance, the documents such as certificates, purchase order details etc., under My Documents option and these can be selected as per quotation requirements and then attached along with bid documents during bid submission. This will ensure lesser upload of bid documents.

6. After downloading / getting the quotation schedules, the Bidder should go through them carefully and then submit the documents as per the quotation document, otherwise, the bid will be rejected.
7. The BOQ template must not be modified/replaced by the bidder and the same should be uploaded after filling the relevant columns, else the bidder is liable to be rejected for that quotation. Bidders are allowed to enter the Bidder Name and Values only.
8. If there are any clarifications, this may be obtained online through the e-Procurement Portal, or through the contact details given in the quotation document. Bidder should take into account of the corrigendum published before submitting the bids online.
9. Bidder, in advance, should prepare the bid documents to be submitted as indicated in the quotation schedule and they should be in PDF/XLS/RAR/DWF formats. If there is more than one document, they can be clubbed together.
10. Bidder should arrange for the EMD as specified in the quotation. The original should be posted/couriered/given in person to the quotation Inviting Authority, within the bid submission date and time for the quotation.
11. The bidder reads the terms and conditions and accepts the same to proceed further to submit the bids
12. The bidder has to submit the quotation document(s) online well in advance before the prescribed time to avoid any delay or problem during the bid submission process.
13. There is no limit on the size of the file uploaded at the server end. However, the upload is decided on the Memory available at the Client System as well as the Network bandwidth available at the client side at that point of time. In order to reduce the file size, bidders are suggested to scan the documents in 75-100 DPI so that the clarity is maintained and also the size of file also gets reduced. This will help in quick uploading even at very low bandwidth speeds.
14. It is important to note that, the bidder has to Click on the Freeze Bid Button, to ensure that he/she completes the Bid Submission Process. Bids which are not Frozen are considered as Incomplete/Invalid bids and are not considered for evaluation purposes.
15. In case of Offline payments, the details of the Earnest Money Deposit (EMD) document submitted physically to the Department and the scanned copies furnished at the time of bid submission online should be the same otherwise the quotation will be summarily rejected
16. The quotation Inviting Authority (TIA) will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders due to local issues.

17. The bidder may submit the bid documents online mode only, through this portal. Offline documents will not be handled through this system.

18. At the time of freezing the bid, the e-Procurement system will give a successful bid updation message after uploading all the bid documents submitted and then a bid summary will be shown with the bid no, date & time of submission of the bid with all other relevant details. The documents submitted by the bidders will be digitally signed using the e-token of the bidder and then submitted.

19. After the bid submission, the bid summary has to be printed and kept as an acknowledgement as a token of the submission of the bid. The bid summary will act as a proof of bid submission for a quotation floated and will also act as an entry point to participate in the bid opening event.

20. Successful bid submission from the system means, the bids as uploaded by the bidder is received and stored in the system. System does not certify for its correctness.

21. The bidder should see that the bid documents submitted should be free from virus and if the documents could not be opened, due to virus, during quotation opening, the bid is liable to be rejected.

22. The time that is displayed from the server clock at the top of the quotation Portal, will be valid for all actions of requesting bid submission, bid opening etc., in the e-Procurement portal. The Time followed in this portal is as per Indian Standard Time (IST) which is GMT+5:30. The bidders should adhere to this time during bid submission.

23. All the data being entered by the bidders would be encrypted at the client end, and the software uses PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission and not viewable by any one until the time of bid opening. Overall, the submitted bid documents become readable only after the quotation opening by the authorized individual.

24. During transmission of bid document, the confidentiality of the bids is maintained since the data is transferred over secured Socket Layer (SSL) with 256-bit encryption technology. Data encryption of sensitive fields is also done.

25. The bidders are requested to submit the bids through online e-Procurement system to the TIA well before the bid submission end date and time (as per Server System Clock).
